The store can be accessed outside of opening hours, or for any deliveries via the service entrance on Russell Place.

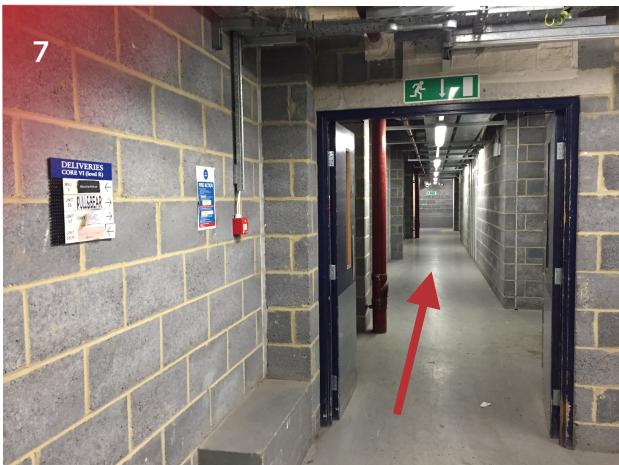

If the blue double doors are close, press the button on the intercom to talk to the Centre security. Let them know you are working in the Apple Store and they will unlock the doors.

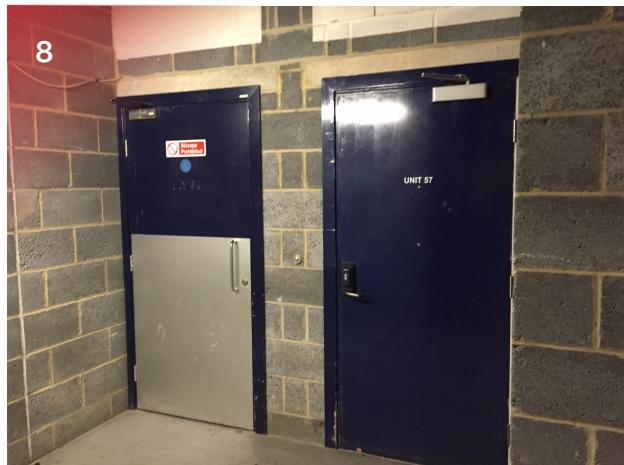

Use the service the service lifts to get to the Roof level.

Go to level R (Roof) to access the store. If you are performing Haz or Hot works, or have been requested to, you can access the Centre Security office on Level LM (Lower Mall).

The store entrance is next to the second red pipe. The door is marked as Unit 57.

Use the small metal buzzer. A member of the store team will let you in.
